Dr. Clarke:

Harris needs, whatever you approve of the attached package, today.

I have arranged for a courier to deliver the material to the PFIAB vault. The courier leaves at 3:00 P.M.

Bill is flying back from Calif. tonight and plans to review this package before the Commission meeting on Monday.

Addendum

Dr. Clarke:

Attached is the letter for Harris, now containing your revisions, plus the group of attachments which you have approved of Harris's having.

The PFIAB vault will be closed on Saturday, Sunday, and Monday, 15, 16, 17 Feb.; therefore, the attached letter and attachments will be delivered on Tuesday, 18 Feb., to the vault for Harris.
